

Current Objective: To apply my technical and creative skills to my passion for making movies, and to learn as much as possible in the process.

Education: Bard College 2008, B.A. (Concentration in Film and Electronic Arts)

Software and Equipment Expertise:

Sony EX-3	Final Cut Studio
RED One (Data)	Arriflex SR11
Panasonic P2 (Data)	External Hard Drives/RAID Systems
Canon 5D MKII and 7D	Wireless Networks
Bolex Hi6 Reflex	Mac OS and Windows

Roles and Experience:

As a **Camera Assistant** for:

Jerry Errico (photographing and filming **George Mendes**, head chef at **Aldea** – **December 2009**)

Peter Fernberger (shooting video for **Bank of America's** interactive website - **October 2009**)

As a **Data Wrangler:**

Blue Buffalo Pet Food (shot on the RED – **October 2009**)

WebMD (shot on Sony F23 and recorded on Sony EX-30 deck – **September 2009**)

Select Comfort (shot on 3 Sony EX-3 cameras – **August 2009**)

Nickelodeon (shot on 2 5d MIIIs and 1 HVX 200 – **June, July 2009**)

As a **Production Assistant:**

In **September 2009** on a **VH1 Tracy Morgan Music Video** working with the 2nd AD managing talent. Then, in August 2009 on a **Nokia Commercial** that shot all over New York working directly with Production Manager to keep the ship afloat. And on other studio shoots with the same Production Manager, **Oxygen Network**, **Bank of America** and **WebMD**.

As an **Editor:**
